Re: San Francisco Electric Reliability Project, Supplement A, 04-AFC-1

Dear Mr. Pfanner:

The Bay Area Air Quality Management District (BAAQMD) issued its final determination of compliance (FDOC) for the proposed San Francisco Electric Reliability Project (SFERP) on December 13, 2005. The Applicant has reviewed the FDOC and in a letter dated December 20, 2005, has requested that the BAAQMD issue errata to correct one inconsistency in the final permit conditions.

The purpose of this letter is to provide proposed revisions to the air quality-related condition of certification that corresponds to the correction we have requested of the BAAQMD. The proposed revisions to the condition of certification are included as Attachment A.

If you have any questions regarding this filing, please do not hesitate to call.

Sincerely,

Nancy Matthews
